EXPERIENCE

HEXASTACK
Intern | July 2021 - August 2021 | Tunis, Tunisia
Hexastack is a web development startup. I was involved in:
- Building an employee attendance tracking app with Vanilla JS.
- Testing JS using Jest.
- Create reusable UI components with ReactJS.

BIAT
Intern | June 2019 - July 2019 | Tunis, Tunisia
BIAT is a Tunisian bank. The goals of the internship were to:
- build a web application platform with JSP to transfer files using secure authentication.
- Be familiar with the company's IT environment.

ENACTUS SMU
Enactus in an international social entrepreneurship organization. I was involved in two projects:

Co-founder of Camech.upcycles | Dec 2019 - Jan 2021
Camech.upcycles project is a clothing brand that uses textile waste, especially jeans to create jeans jackets. I was a an account manager of the brand on social media.

Sales staff in Ser Lemdina project | Sep 2018 - Dec 2019
Medina's Secret Project ''Ser Lemdina'' focused on cultural tourism and Tunisian handicrafts.

ROTARACT CARTHAGE AMILCAR
Member | August 2020 - January 2022
Rotaract is a service, leadership, professional, and community service organization.
